One lightbulb, which is a compact fluorescent lamp (CFL) with a distinct spiral shape, is brightly lit and stands out from the others. The other lightbulbs are standard incandescent bulbs with smooth, rounded glass shades.

**ANNUAL REPORT  
2012-13**

## *Foreword*

The school transformation program for 2012-13 has drawn to a close and I am pleased to present to you, our Annual Report.

The highlight of this year has been a conscious decision by our program team and board members to retain our efforts within the existing 15 Night Schools, primarily to further fine-tune the Masoom model. The aim is to identify areas wherein we would need to prepare ourselves if we are to adopt more schools in the coming years. Support from the Michael and Susan Dell Foundation (MSDF) to review and refine our program could not have come in at a more opportune time. They supported the consultancy provided by Phicus (Education Consultations) to review our programs and to devise a three-year projected strategy plan for us. Our school transformation program was reviewed and revised. Our Grading Tool, Benchmarking Tool, Outcomes Framework and School Report Card systems have all been improved and field-tested. Masoom now has a well-documented three-year strategy plan for its Career cell as well. We are sincerely grateful to the Michael and Susan Dell Foundation for this much needed support. As a part of this new three-year Strategy and Phase-out plan, Masoom is now working on a Sustainability plan for the program and its organization.

We are eternally grateful to all our Donors for their generous financial support. A special thanks is due to Edelgive Foundation and the IDFC team for their continuous engagement with Masoom and for providing non-financial help to strengthen the organisation. I am grateful to GFC for enabling me to represent Masoom at the global conference of NGO's at Ixtapa, Mexico. Being part of a delegation of over 200 donors and heads of international organisations was an extremely enriching experience. Further, it gave me an ideal opportunity to showcase our efforts at Masoom, to a truly international audience

I am happy to share with you, that our SSC results have been extremely satisfactory. You will be glad to know that 2 schools achieved 100% results, and the average pass percentage of our 15 schools was at an impressive 72%. I am thrilled that Anuradha Chavan who topped from Masoom aided Agarkar Night School, has as a result, topped across all Night Schools in Maharashtra.

In the following year we aim to adopt another 15 schools that will include Hindi and English Medium schools. As we grow, there are many challenges ahead, but I am sure that with the continued support of our Donors and well-wishers, a strong team and the dedication of our core committee members, we will continue to make a difference in the lives of Night School students.

## Program Tools for School Transformation

Transformation means ‘to change’.

Masoom's **School Transformation Program** is a holistic program that caters to the overall development of a Night School and its stakeholders. The program supports Night Schools through proper training, workshops for teachers, headmasters and trustees.

Further, it also provides infrastructure support and advocacy level intervention.

Through this effort Masoom has enabled Night Schools to upgrade themselves and that has lead to an improvement in the quality of education imparted by them.

The Masoom Night School transformation program follows the following Standard Operation Procedure:

### i. Grading Tool

This is used to assess schools on quantitative and qualitative parameters, and to award them grades from A to D.

### ii. School Report Cards

A report card is prepared for every school with detailed analysis of its strengths and weaknesses, and the steps required for it to progress to the next grade.

### iii. Outcomes Framework

This is a tabulated school transformation strategy that outlines the required activities per stakeholder in order to upgrade a school from one grade to another.

### iv. Monitoring and Evaluation System

Tools for capturing and analysing program activities and their impact.

# Career Cell Evaluation

The Career Cell is now fully functional and offers the following services to our students:

## Scholarships

Need based and merit based, for pursuing higher education.

## English Conversation

In-class training on basic English conversational skills, to better equip night school students at the workplace.

## Basic Computer Skills

To enable better job opportunities, training in the essentials of computer literacy is provided at our Resource Center. Certification is provided by the NIIT Foundation.

## Career Guidance Sessions

Guest speakers from various industries are invited to conduct these sessions for SSC students. A comprehensive reference handbook is provided to students, with details of numerous educational institutes and courses. Interest mapping is also conducted for students to test their aptitude and to advise them on their future course of study.

## Vocational Training

Provided to a few students by connecting them to vocational training institutes and sponsoring their course fees.

## Life Skills

Camps and workshops are conducted on various topics such as time management, financial management, communication skills, personality development, etc. to introduce students to various important life skills.

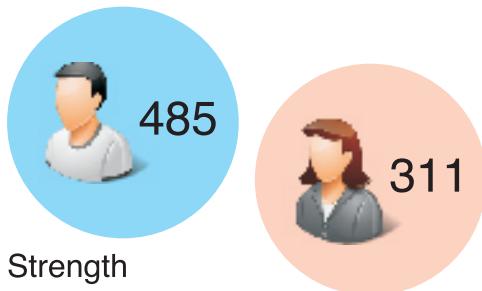

## Alumni Association

For the first time ever in the history of Night Schools, an association has been set up to connect Night School Alumni. This is a forum to unite former students and to channelize their experiences towards development of Night Schools. The association will assist Masoom in implementation of its program activities.

## Placements

Connecting students in need of employment to various organisations and job fairs.

# Programs & Activities

## Distributions - Notebooks, Textbooks

853 notebook sets and 388 textbook sets were distributed in the year 2012-13.

*Notebooks & textbooks were very helpful for completing our studies. Being from a financially weak background, it was very helpful for me.*  
Pinky Mahindrakar, Student at Kirti Night School.

## Lab Material / Concept Development Program (C.D.P.) Sessions

Mobile science labs have been provided to all schools to enable them to give their students an opportunity to perform science practicals and clarify concepts. Laboratory material is replenished as per requirement. 276 practical CDPs sessions have been conducted across all schools, with students securing an average score of 5 out of 10 in tests.

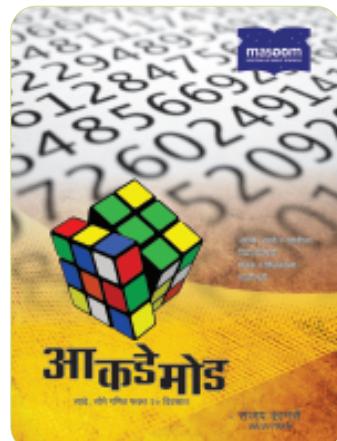

*Masoom has provided us a mobile science lab that has enabled our students to practice science experiments. This has created a scientific attitude among our students and also helped us better explain the subject.*

M.D. Dhumal, Assistant Teacher, Meenatai Kurude Girls Night School

## Bridge Course

A base line test in Maths, Marathi and English bridge course was conducted for 505 students, and they scored an average of 9, 10 and 10 marks out of 20, respectively. The endline test was conducted for 441 students in which students scored an average of 11, 12 and 12 out of 20 in each subject respectively. These Bridge courses resulted in an overall improvement of 22% in Maths, 20% in Marathi and 20% in English concepts.

## Student Workshops

In September 2012, an awareness film on sexual abuse was screened for 116 students of Vidyamandir Girls Night School by Masoom's Program Director, Pallavi Gandhalikar. As the movie was made by her, it was a constructive discussion as she was able to share her own experience which helped the students overcome their anxieties. For most students, this was the first time they were exposed to such education. They were enlightened on how to identify sexual abuse and what to do when they or someone they know are subjected to it. The workshop was very well received by students. The teachers declared that they shall continue to encourage and support such discussions in order to create a more open and supportive environment in the school.

## Diwali Camp, Summer Camp

27 students attended the Diwali camp where they were introduced to various life skills such as public speaking, communication skills and time management.

## Financial Literacy

22 students attended a pilot program on financial literacy conducted by ANZ, where they were taught the basics of money management, savings, budgeting and other useful things concerning everyday finance.

## Enrollment Drive 2012

100 youth were enrolled in night schools through Masoom's enrollment drive that was conducted through street plays and door-to-door visits, facilitated by Masoom's alumni and volunteers.

## English Conversation

A total of 193 students participated in English Conversation sessions conducted upto March 2013. Last year Masoom piloted 3 different modules for conversational English. Under the 'E-Dost' telephonic English conversation module, students were provided with a link to English through telephone. 130 students have used the telephonic conversation module out of which 52 have been regular students. Similarly, there were 2 more modules including one on grammar skills and the other on English conversation through acting and drawing.

## Picnics

509 students attended a picnic organised at B.K. Resort, Kalyan while 32 visually challenged students enjoyed their picnic that was organised at Pushkar Mela, Thane.

*We enjoyed a lot in the swimming pool. Food was also tasty. Thanks to Masoom for arranging a very nice picnic.*  
Sachin Vairagal, Agarkar Night School.

## Field Visits

Around 405 students attended a field visit to Nehru Science Center, Worli. Students saw different science practicals, a documentary and a presentation on human anatomy.

## Library

38 English story books were distributed to all the schools this year. 500 students from 15 Night Schools used library books provided by Masoom.

## Nutrition

Nutrition consists of a healthy snack provided to students every evening in order to improve their concentration and boost attendance. An average of 716 students have been given nutrition through the year.

*We like nutrition very much. It is fresh and there is a lot of variety. It helps us to study better in class.* —Vinanti Utekar, Adarsh Night School

## Sports Day

In January 2013, Masoom organised its Annual Sports Day and it was attended by 244 students.

Students get a chance to display their talent and athletic prowess. More importantly, this day provides them with a welcome relief from their hectic daily schedules. Most students have either attended or participated in various competitions organised on the sports day.

## Health Camp

Guest doctors conducted a general physical check-up on 609 students (from across our 15 Night Schools) during the health camp organised by Masoom.

## Students with Special Needs

45 visually challenged students were trained in Braille and Abacus by a resource teacher. 17 students were also further trained in the art of book binding.

## Trustee Meetings

30 half-yearly meetings of trustees were held across our 15 Night Schools to discuss measures to improve the process of teaching and learning, to improve student performance and action plans for how to achieve the same. Discussions also included the activation of respective School Management Committees.

## Workshops and Residential Training for Headmasters and Teachers

Teachers supported Masoom during the course of residential training for teachers. Workshops were related to specific H.M. skills such as time management, positive thinking, alternative thinking and quarterly plans for the following months. Residential training is conducted once a year, wherein the annual plan for each school is outlined. This year, as an exercise to enable better understanding and adoption, the grading tool was completed by the respective headmaster and teachers of each school. Thereafter, each element of Masoom's program was discussed and feedback obtained on their respective performance, followed by discussions on ways to implement the required improvements, if any. As a result, teachers are now more willing to support and drive Masoom's programs to the best of their abilities —e.g. during February 2013, they conducted moderator sessions for SSC students.

## School Management Committee Meetings

We have successfully set up these committees in 5 out of our 15 schools to focus on the development of the respective schools. These committees consist of the respective schools' trustees, the headmaster, one active teacher and 5-8 parents. In 5 of our schools, we have been able to involve the local Corporator as well. We

are now focusing on building the capacity of the SMDCs to take the lead in the sustainable development of their school. In the following year, SMDCs will be set up in all new schools being enrolled for Masoom's programs.

## Phone Calls, Home Visits and Impact

During the year, 232 students were called via phone, while home visits were made to another 101. This achieved regular attendance from 118 students for their night classes.

## Program for Visually Impaired Students

A special picnic, sports day and Diwali event were organised for Masoom's 45 visually impaired students and were really appreciated by them.

## Girls Program

In collaboration with another organisation, Masoom organized its girls program in 2 different centers of Masoom Night Schools.

The key objective of this program was to bring awareness about health and hygiene. Program content includes safety, identification and caution about various ways to interpret a touch or bodily contact, sanitation, tips for fitness and health and also more importantly, sessions on sexual awareness. Conducted during summer vacations, 30 students were imparted training over the course of this 3-4 day module.

## SSC Program Activities

In January 2013, SSC Moderator sessions were conducted for 303 students in Maths, English, Science, Hindi, Marathi and Social Science. Further extra coaching batches were also started for bright and weak students respectively with the aim to help weak students improve in their studies and to provide them with additional support, and for brighter students, to further perfect their studies and enable them achieve the highest scores possible. 19 sessions were conducted for 64 bright students while 56 sessions were conducted for 50 weak students.

## Student Counseling

25 students were checked by counselors, of which 3 students were classified as slow learners and 1 was diagnosed with a learning disability. The 3 students have been issued a *Slow Learner Certificate* by Sion Hospital, based on which various concessions can be availed at the Board exams.

# Career Cell Activities

## Vocational Guidance Workshops

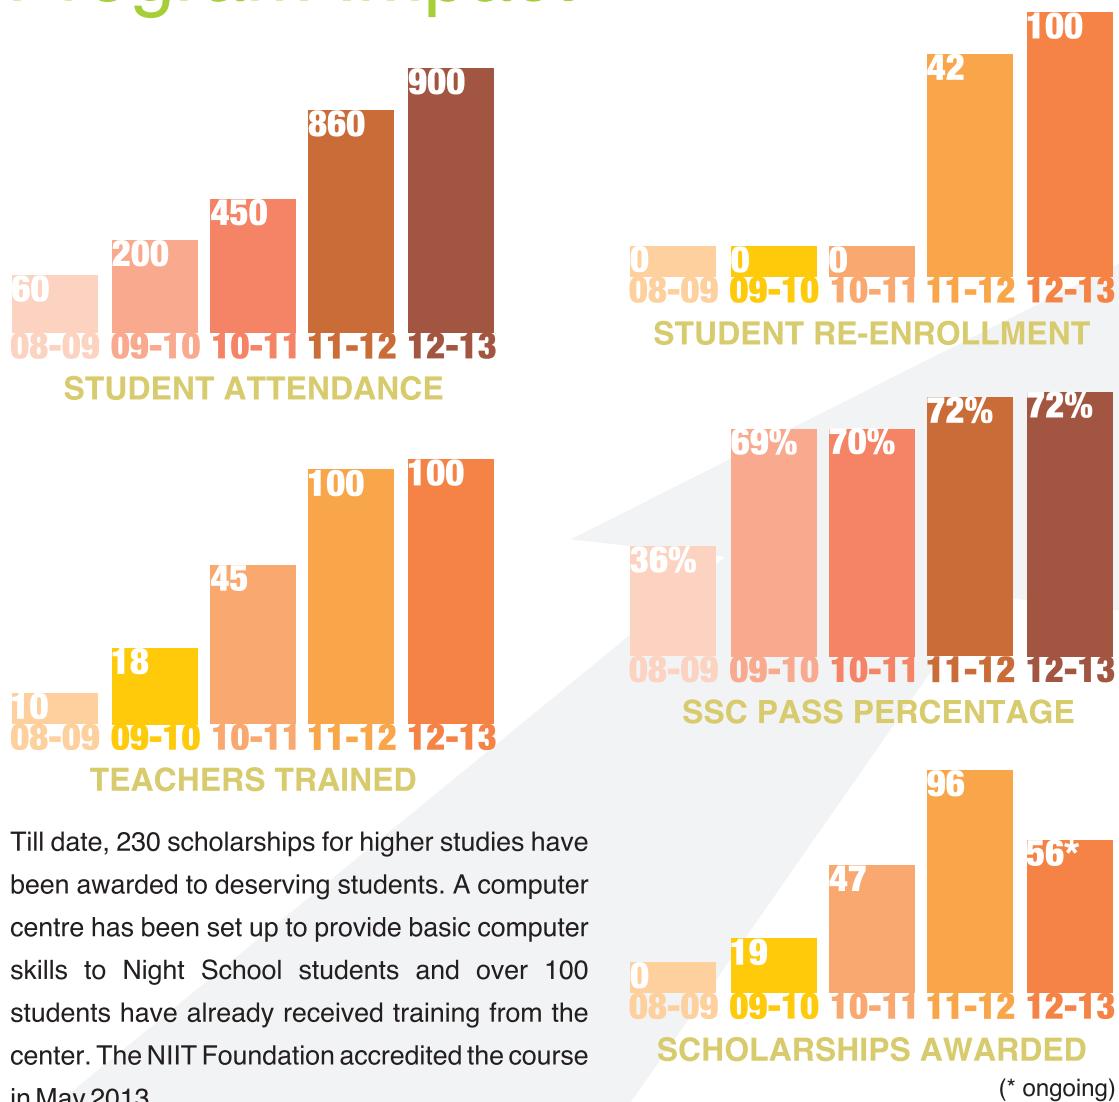

Vocational awareness sessions were conducted in 8 schools with 112 students. A vocational guidance session was conducted on April 7, 2013 for students who appeared for their SSC exams. Presentations were made on various occupations and professions available for the three streams —Arts, Science and Commerce. Pharmacy, Teaching, MBA, CA and careers in the armed forces were discussed. A reputed vocational training institute also made a presentation. Students were provided guidance on various options available after SSC, and were given a handbook containing extensive information on courses, institutes, eligibility criteria and other relevant information.

## Alumni Association.

An Alumni Association has also been recently set up to mobilize former students of our Night Schools. They are being motivated to volunteer in program activities, help raise funds and also to act as a nodal body to enable students to connect with each other.

# SSC Results

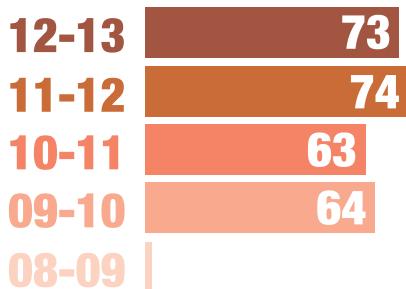

Historical Data for Masoom's Night Schools

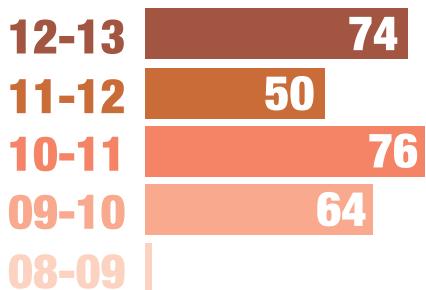

In 2011-12, the headmaster retired and his successor had less experience. There were conflicts between the new headmaster and teachers that had a negative impact on the SSC results. However by 2012-13, the management intervened and resolved the issues. Classes were held regularly and student attendance improved, and this brought about an improvement in the results for 2012-13.

#### MARATHA NIGHT SCHOOL

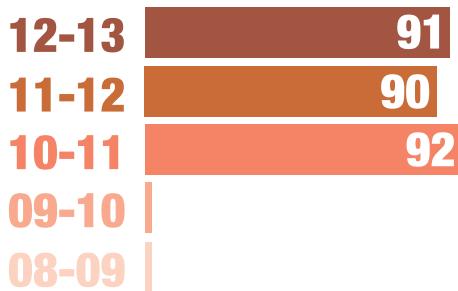

#### SOCIAL NIGHT SCHOOL

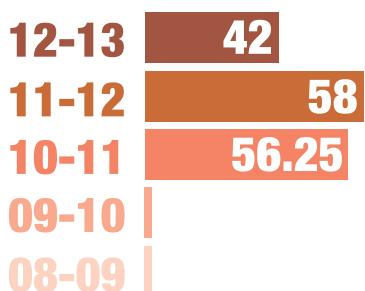

#### SAHAKAR NIGHT SCHOOL

The school staff explained that the batch of 2011-12 faced challenges in academics and were an exception to the general trend. In 2012-13, the headmaster ensured that extra efforts were put in coaching the SSC batch. The school was kept open till 10pm and students attended regularly. This has once again improved their results.

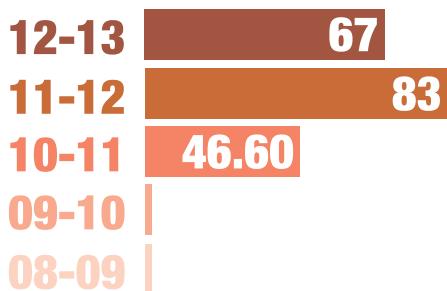

#### MEENATAI KURUDE NIGHT SCHOOL

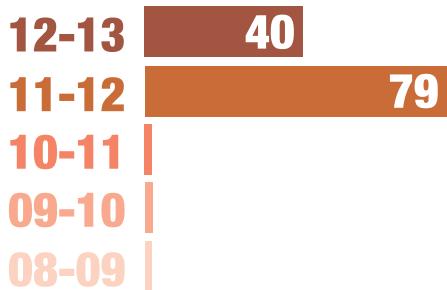

#### KIRTI NIGHT SCHOOL

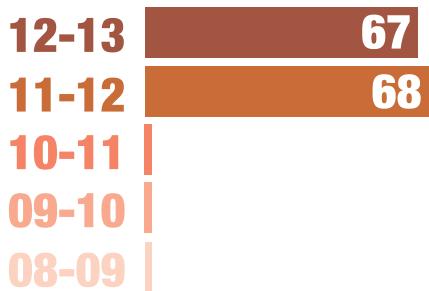

The school did not have premises for operation as the previous building was uninhabitable and they spent most of the year appealing to the BMC for new space. This affected classes and consequently the results. The BMC has now provided new space to the school.

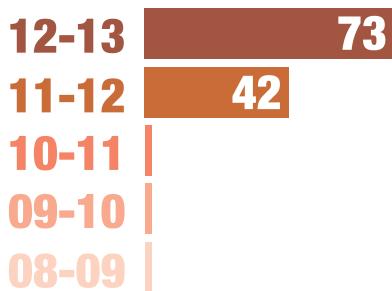

#### KMS NIGHT SCHOOL

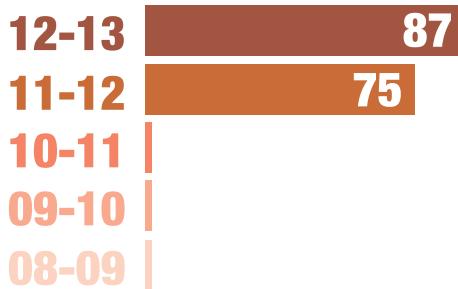

#### NANAWARE NIGHT SCHOOL

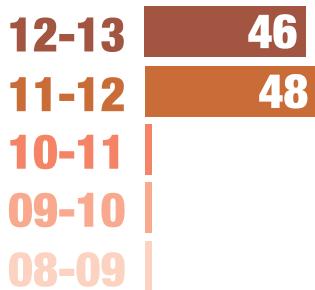

#### SARVJANIK NIGHT SCHOOL

#### GOKHALE NIGHT SCHOOL

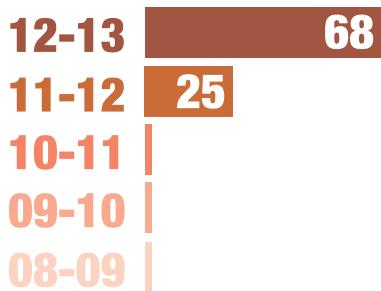

#### MODERN NIGHT SCHOOL

#### MAHARASHTRA NIGHT SCHOOL

## Advocacy Impact

Masoom constantly follows up on issues such as nutrition for Night Schools and access to the computer and science labs of Day Schools. In association with organisations like Shikshak Bharti, and Night School Headmasters Association, Masoom has coordinated with Government authorities for providing nutrition to Night Schools. As a result of this advocacy program, the Central Government, under its Sarv Shiksha Abhiyan scheme, has now sanctioned nutrition to Night School students of Standard 8.

Masoom met with the Additional Municipal Commissioner of the BMC —Ms. Prachi Jambhekar— and presented the pressing demands of Night Schools. As a result, Masoom has recently been included in the CSR list of the BMC. This will enable Masoom to solicit additional support for its various activities.

Masoom also met with the Principal Secretary to the Chief Minister of Maharashtra and presented a request to initiate special training programs that are specifically designed for Night Schools. These programs would be run during the evenings. The Principal Secretary agreed for the need to impart separate training for Night School teachers and also for taking up relevant issues with the BMC. Accordingly we have also presented a proposal to the RMSA (Rashtriya Shiksha Abhiyaan) for training Night School headmasters, teachers and SMDC members.

# Success Stories

**A**smabi Sheikh hails from a modest background and lives in Wadala with her family. Her father, Yunus, works as a driver and her mother, Nazma, is a housewife. Asmabi has a younger brother Aasuf Sheikh studying in standard 8. The annual income of her family is just Rs.60,000. Although circumstances have placed Asmabi under the 'lower socio-economic' category, she has still outdone all norms of her background and achieved incredible success in her academics.

Asmabi's story is one of extreme perseverance —she would wake up daily at 4 a.m. to study. She attributes her success to her family, especially her mother, who even in a tiny home, supported Asmabi's need for time and space to study. Asmabi also thanks her school principal and teachers for inspiring her to achieve her best. The additional support she received from Masoom helped push her further. Extra Sunday classes did wonders for her performance, especially to dispel her fears in Maths and Science. Asmabi diligently attended the extra classes and as a result of her hard work she scored an overall 83.45% in her SSC, to top her school.

*She says —I'm very grateful for the coaching given to SSC students, especially the prelims conducted by Masoom. I had a big fear of Science, but my teacher helped me overcome it. The Career Guidance Camp was also very interesting and useful.*

Asmabi has now enrolled in the Science stream at Khalsa College.

**Anuradha Chauhan**

Agarkar Night School

**A**nuradha married in 2005, but was widowed within a year. By then she had a new-born baby to care for and so she moved back to her parental home. Her parents' house in a slum in Worli, is a small 100 sq.ft. room accommodating 9 family members. To supplement the family income, Anuradha started working as a house maid. In the midst of these extreme challenges, school was the last thing on Anuradha's mind. One day perchance, she met Mr.Patil, Headmaster of Agarkar Night School, who motivated her to enroll at his Night School to continue her education.

Anuradha's parents supported her in her decision to return to school and she was admitted to Standard 10. Although at times she arrived late for classes, being held up at her day job, the

teachers at Agarkar Night School understood and accommodated her. They say they could see she was a sharp and intelligent student who, if supported, had the potential to excell. Anuradha exceeded all expectations this year as she achieved an outstanding 91% in her SSC exam. She is the first student from Masoom-supported Night Schools to ever appear on the SSC Merit List.

*She says —I really appreciate the kind of support I received during my SSC preparation, the extra classes, reference guides and study notes provided by Masoom were invaluable. The team members of Masoom really motivated me and I acquired the much needed confidence to do my best. I feel I have been able to change not only my own life but also my daughter's life.*

Anuradha has now enrolled in the commerce stream at the Agarkar Night Junior College.

# Volunteer Experiences

Pravin Dalvi was a student at Ambedkar Night School and has his own decoration business. He actively supported Masoom by assisting the staff in major events like annual picnic, sports, annual awards function and during the distribution of notebooks and textbooks. He has been playing an important role in street plays organized by Masoom for its student enrollment drive. He was recently elected as the President for the Night School Alumni Association. Former students of Masoom are inspired by his presence.

*Being from a Night school I know the problems of Night Schools very well. I just wanted to do something for them; therefore I joined Masoom as a volunteer.*

Gaurakh Lad is a former student of Sahakar Night School and currently studying at Night College. He also works as an office assistant. Gaurakh is an active volunteer for the past 2 years. He joined Masoom on his own initiation and has helped Masoom in activities such as sports, picnic and street plays organized by Masoom for its student enrollment drive. He is the Secretary of the recently initiated Night School Alumni Association.

*I like to do social work. I have received a lot from my Night School and Masoom. So I volunteered for Masoom in order to give back what I have received. I would like to be associated with Masoom for a long time.*

Prashant Kokate is a former employee of Masoom. He works as a Coordinator in a Marketing Firm. For the past 3 years he has volunteered for Masoom at the Annual Awards Function, Sports activities and during field visits for visually impaired students.

*It is a big educational project dedicated for Night Schools and Night School students. I just love to be associated with Masoom as I hope that it will bring a valuable change in the lives of Night School students.*

Pranahita Srinivas is a research student from Hyderabad. Her study relates to the Needs Assessment of girl students in Night Schools; aimed to reveal the status of girl students as well as evaluate the basic requirements for their future development. Masoom will be able to utilise her study conclusions to formulate a targetted strategy for girl students in night schools.

Dayanand Agawane is a former employee of Masoom. At present he works as a senior technician at Fort Point Automobile Company. For the past 3 years he has been an active volunteer at Masoom's major activities such as Annual Awards function, Sports activities, Picnics and during field visits for the visually impaired students.

*I have studied in Night College and also I have worked at Masoom for 2 years. I know the size of work that Masoom is doing for Night Schools. So I think it's my duty to help Masoom as per my capacity.*

# Testimonials

## Quotes by Headmasters and Teachers

*Every person who visits our school has supported us a lot in achieving a 100% SSC Result. Our school Principal guided our teachers to conduct regular tests, and also prepared time tables for teachers to take extra classes. His support and guidance was always with the school staff. Teachers diligently taught the students and provided them tuitions from time to time and dissuaded students from copying in unit tests and semester exams. Extra classes conducted by teachers helped students to revise their syllabus before exams and this helped students to score good marks in their board exams.*

*The material support from Masoom —Notebooks, Textbooks, Practical and Nutrition— was really helpful. Extra coaching provided for bright and weak students helped us a lot. Masoom representatives also encouraged students through various activities which resulted in an improvement in the SSC results. Support from the resource teacher for visually challenged students was especially of great help.*

Mr. Mohite  
Headmaster —Maratha Mandir Night School

*Masoom helped us in improving our enrollments for the school. Masoom change leaders helped us in organizing street plays in May and July that increased the enrollments in our school. Due to regular nutrition that is provided by Masoom, our students are able to be in school for more time. Nutrition helps students during extra classes. Masoom provided us e-learning material, which helped our students to understand subjects in a better way. Students enthusiastically attended the audio-visual learning class as it is something new for them and it helped in maintaining regular attendance in school as it was something new happening at their Night School.*

AD Patil  
Headmaster —Agarkar Night School

*Night School students see Masoom as a support and lightning lamp in the darkness of today's world. Masoom has given confidence to Night Schools students that they can perform better than the Day Schools students. Students are getting into a healthy competition for education.*

Mr. Nivas Shevale  
Headmaster —Adarsh Night School

*The change leaders, who visit us have made our schools lively. They come and check attendance, make phonecalls to students, conduct home visits, arrange meetings, take monitors' sessions and keep them updated and involved in school activities. Different activities have made schools lively and attracted students to schools.*

Mr. BS Kadam  
Headmaster —Nanavare Night School

# The Way Ahead

In 2012-13 Masoom is working with 15 night schools and in 2013-14 we envision to be in 30 Night Schools of Mumbai. Our night Schools are presently located in Parel, Worli, Dadar, Mahim, Kurla, Mankhurd, Govandi, Chembur and Mulund. In the coming year we will explore new areas where Night Schools are located and also include Hindi and English medium schools. Our focus is to cover the maximum number of Night Schools and support their students with quality education and better career options. In times to come we are looking at making Night Schools self sustainable through the interventions of S.M.D.Cs in Schools.

## Objectives

- Fine-tuning the grading system in night schools
- Working on sustainability for the program and the organization
- Redefining the role of SMDCs
- Strengthening the Career Cell and Alumni Association
- Expanding the role of the Computer Centre
- Building up an advocacy strategy for Masoom

The Trust's primary focus is to establish and maintain after school resource centers, night schools and day care creches.

#### 2. SIGNIFICANT ACCOUNTING POLICIES ADOPTED IN THE PREPARATION AND PRESENTATION OF THE ACCOUNTS :-

##### a) BASIS OF ACCOUNTING:

These financial statements are prepared under historical cost convention on an accrual basis.

##### b) USE OF ESTIMATES:

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the trustees to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognized prospectively in current or future periods.

##### c) REVENUE RECOGNITION:

Contribution received from the donor is accounted as a corpus donation where the intention of the donor has been specified and a letter to that effect is received from the donor. Otherwise the contribution is treated as ordinary donation and accounted for on the date of receipt.

##### d) EXPENSES:

All expenses are accounted for on accrual basis except those with significant uncertainties.

##### e) FIXED ASSETS & DEPRECIATION:

Fixed Assets are stated at cost less depreciation. Depreciation on Fixed assets are provided on written down value method under section 32 of the Income tax Act, 1961 and in accordance with and at the rates specified in New Appendix I of the Income tax rules, w.e.f. 02/04/2005.

f) Where internal evidence in the form of vouchers towards expenses are partially not available we have relied upon the external documents authenticated by the trustee and as well as written in the books of accounts.

g) Current year figures have been regrouped and rearranged whenever necessary and rounded off upto nearest rupee.

#### 3. DISTRIBUTION OF STAFF ACCORDING TO SALARY LEVELS:
